***Bearing His Image  
Carrying His Glory***

**The Year of the Divine 2012  
Hebraic year 5772**

***Divine—that which is the very nature of a Holy God.***

This will be a season of **His Holy Invasion** and **Divine Confrontation**; more and more of the clash of the kingdoms as the Lord *continues dividing, separating, sifting, and purifying* His beloved Bride, bringing everything in your life into **Divine Order of His will and Authority.**

To **confront** means: To face, stand or meet face to face; face or oppose boldly, defiantly, or antagonistically.

To **sift** means: To separate out by or as if by putting through a sieve; to go through especially to sort out what is useful or valuable; to scatter by or as if by sifting.

Many things that have taken years to come into **alignment with Him and His purpose and plans, will give way, and suddenly come into agreement WITH HIM, His Divine Order and Rule!**

Much of the so called **mixture that has been in God's church** will be called to a ***place of decision: serve God and His Kingdom, OR serve self and your kingdom.***

**Everything not like God will continue to be confronted** only to bring His Kingdom of Divine order, Harmony and Rest right in the middle of the confrontation. Example: the confrontational Prophet Elijah. **1 Kings 18:17-45**

**Do not be moved by all of the confrontation you see. Evil must be confronted to build God's True House, a dwelling place for His Presence!!!**

The **tidal wave of Truth will come stronger and stronger** upon our shores and others.

**Persecution, testing and distress will be intensified to test that which is real. Deut. 8:2, 16**

***The truth will bring fresh victory.***

***Stay close under the shadow of My wings. Ps. 36:7***

**Whole systems will crumble in a day.**

Only that which is **built on the Rock** will continue to stand. Many hearts will give way to fear, many will fall away.

There will be and more **Angelic activity** especially in the areas of great warfare. There will be a **new aligning with My war room strategies.**

**Listen carefully** to My orders. **Do not move outside of My Divine Timing and Aligning** in any way!

**Divine revelation** that has been sealed up **will begin to open up** to those who **truly Love the Lamb.**

Other revelation will be given in this time and **will need to be sealed, and guarded until the right time.** Learn to keep the secrets of the LORD.

***I counsel thee buy from Me Gold tried in the FIRE. Rev 3:18***

**Relationships will come into more and more truth.** No more being built on Falsehoods, Usury, and Gain.

**Falsehood** is a lack of accuracy or truth; falsity, deception; the telling of lies, lying, false statement and false beliefs.

**Usury** is the act or practice of lending money at interest, a rate of interest that is excessive or unlawful.

**User** is a person or thing that uses another for personal gain.

**Gain** is an increase in advantage, wealth, earnings.

**Great shakings** in our nation will come as many things begin to erupt. Look to the East.

**The Splendor of Holiness** will again adorn My house as many are **awakening to My righteousness.**

**Splendor** is a great luster, or brightness, brilliance; magnificent richness of glory, pomp, and grandeur; illustrious, Worthy of High Praise.

**Holy** is dedicated to God, belonging to or coming from God; spiritually perfect or pure, consecrated, sacred, untainted by evil or sin, sinless; regarded with or deserving deep respect, awe reverence or adoration.

Those that truly **are hungering and thirsting after Me**, will be filled, and filled to **overflowing with My Love, Purity and Righteousness and My Glory.**

There will be a **move of PURITY, TRUTH, and HUMILITY** that will be **marked by My GLORY FIRE!**

Those that are ***only after the signs and wonders, and riches without my Presence, will be given to it.***

There will be a **marked difference for those that have eyes to see. See Me, Search for Me and Listen for My voice!**

***Those that have had a hard time with their devotion and prayer lives will come into it this year.***

There will be a **Divine Dawning and wooing you near into His PRESENCE this year!**

I will give those that have asked for a **greater discernment** what they have asked for.

I will cause many to follow Me into very difficult places. Many will lose their jobs because of ***persecution of the righteous.***

This is a time of **Supernatural Divine Manifestation, Supernatural Supply and Supernatural innovative creativity** straight from the Throne. Creative ministries will be breaking forth this year like never before as **more and more creativity is released.**

**Many man-made altars will crumble.** Only my true Altars will last. There is so much noise. Stay close in the Secret Place with Me.

For those that have been faithful, it is time of **Divine favor** and **Divine Promotion** for the advancement of My Name and My Fame, and MY GLORY!!! **I will not share my Glory with another.**

Where many have been trying to promote you ahead of your time or for their own gain or purpose, **this is God's time for promoting His people, for His glory and purposes.**

The **Divine Order of the will of My Spirit will begin to rearrange** many things. *Be not shaken by it. Just know that My KINGDOM is coming more and more into view.*

**Rearrange** means to arrange again.

**God is going to come in to your life and rearrange your schedule, your duties, your attitudes, your ways, and even some of your ministries to make them His.**

**Divine Rearranging** will be taking place--a redistribution of things; a rearranging in your homes, your jobs, and your relationships, your mind and your money.

Great, great change and upheaval is coming. *Everything is becoming NEW.*

**Upheaval** is a sudden and dramatic change or disruption that often leads to chaos.

***The Divine in the mind:*** *Those of you who have really struggled with your thought life for many years, and have been tormented by it, now is your time for deliverance!*

*Ask God for Divine in the mind; His thoughts, His mind.*

**The pure in heart will see God. God is looking for the pure hearted.**

***More youth that are really hungry for God will receive more revelation of His Holy Presence. This will keep them from going into the forbidden doors and eating of the devil's tables.***

**Divine revelation of the Tabernacle, Temple, and the Throne** will be released more and more as the true pattern of worship will be sought after as the **religious right will begin to seek out truth.** The true seekers will find Me. There will be more of an awakening in places that you thought could never be.

More of God's kids, **true servants, will begin to walk in an authority and dominion that will be unprecedented.**

God will give them **more territory** and give them **more souls.**

**True signs and wonders** will follow.

Watch carefully what your desires are. Divine light will break through this year like never before. Go through the OPEN DOORS!

## **2012**

**Divine Order & Confrontation**

**Invasion & Timing**

**Aligning & Authority**

**Agreement & Government**

**Revelation & Rule**

**Manifestation & Judgment**

**Wooing & Rest**

The word **divine**:

Of or like God; given or inspired by God, holy, sacred, devoted to God.

## **2012**

There were 12 Apostles, 12 disciples, 12 tribes, 12 gates, 12 stones etc.

You will find the number 12 all over God's word.

It speaks to us of being His number, **His rule**, and **God's Government.**

Everything is going to be **invaded by heaven's rule**, as **heaven begins to invade the earth.**

We have never been this way before: watch carefully.

To **invade** means to **enter forcibly or hostilely, come into as an enemy, to crowd into, to intrude upon.**

God is going to **deal strongly with the accusing spirit.** Rev. 12:10

There will be **divine birthing**, and **divine building of many things**, as well as **divine judgments and victories**.

This is a **time to align everything into the Perfect will of the Lord**.

**Things that have been off, and unbalanced in any way, must come into Perfect ALIGNMENT.** His government and rule is very different than anything we have seen before. You will know a life of so much more balance.

Things that have not been judged before this year will begin to be judged. This is not a year to hide anything. **Bring everything into His Divine Light.** Move according to God's light, not your own.

There will be **more turbulence**, so **learn how to steady yourself and always seek to build God's house and advance His KINGDOM.**

Look for a city whose builder and maker is God! See and see beyond. **Heb. 11:10**

This is the **time of building God's house**. It is a time of Divine building. **Take inventory: What** are you building? And **for whom** are you building? And **with what** are you building?

There are two houses that are being built. One is built of wood, hay, and stubble. The other one is built on the Rock with precious eternal materials. **What is your foundation?** And what are your **walls** made of? What are your floors covered with?

Is your house being built with **precious stones**? Choose to **build only with the materials of the LORD.**

The **number 2**: There are two 2's in the number, **2012**. The number 2 speaks of **agreement**. This year speaks of the **Agreement of Heaven and the earth**.

**Agreement** means **to be in harmony and one accord**.

**Heaven's government coming into the Earth. Watch the next 12 years.**

We **have not really known** what **true agreement** is and what **harmony** is.

**Ask God to show you how to build God's house**, not tear it down.  
Building Gods house, God's church, God's Bride.

More **Heavenly portals** will be **opening as true agreement comes on the earth as it is in heaven** as the **Day of the LORD unfolds in Terrible Majesty and Power!!! Dan 12**

If any two of you touch and **agree on anything it shall be done by my Father in heaven. Mat. 18:19**

This is the year where Heaven and Earth will agree—a year of Wondrous, and Terrible things.

**Do not do anything without True Agreement.**

**God showed me that if we are out of agreement we are in danger.**

As the **scales of His justice continue to come into view**, more and **more turbulence** will come. There will be **major shifts in the earth and in the heavens as the earth continues to groan and travail for the Manifestation of the sons of God. Rom. 8:19**

Miracles will be increasing. In relationships, **marriages will be healed**, restored and come into true order. **Homes will come into order, and businesses will come into order.**

There will be **miraculous breakthroughs in Science and Signs in the Water.**

This is a year to **build new things and expand**, with **total agreement.**

Heaven's rule comes. The **year of Divine Agreement—Heaven's Order.**

Where there has been trouble coming into agreement and oneness in the past, this year there will be a **grace for divine agreement, not partial and pretended or forced agreement but true Divine Agreement.**

Things that have been undecided and uncompleted that have laid dormant, barren, and unfinished because of no agreement suddenly will find the agreement of God and His rule and peace in it.

Double blessing and doubled Judgments.

**Double anointing for those that have been faithful with the little. Luke 19:17**

Now comes **double Wisdom, Counsel, Direction and Favor.**

Many unsettled court cases and unsettled business, and family matters, etc. will be settled this year.

**The government of God is going to invade everything.**

**Study the scriptures where you find the number 12 and the number 2.**
